Review Rules of Chapter 23, 29, 30, 32, and 33
Public hearing will be held August 27th, 2013 from 11:30am to 1:00pm
Chapter 23 looks to be in order. Clarify Page 8 23.4(1) wanting to know what it means…Cindy stated that a contractor can hold a master for one discipline and hold MOR for another discipline with another company. It would not happen very often.

Chapter 29 – September provided an overview. They discussed the changes to the chapter. No issues

Chapter 30 – September provided an overview. ARC has started a discussion on what CEU's will be for mechanical and possibly of combining Plumbing and Hydronics. Change in online CEU's. No issues with the committee.

Chapter 32 – September provided an overview. They discussed the changes to the chapter. No issues with the committee.

Chapter 33 – September provided an overview. No issues with the committee.

Ron asked how the do these move forward. Cindy stated that Rod with ARC will be presenting the chapters to Board. The rules then move to Barb Nerig for Noticing and Preclearance. Once the rules are pre-cleared they move to the Code editor and get published.

Adjourned at 10:35am.
