You are invited to the 8th Annual Region 7 EPA/State Radon Stakeholders' Meeting. This meeting is being held **at no cost** for all those who have a stake in protecting the public from unnecessary exposure to radon in their homes, schools and businesses.

EPA Region 7 and its partners, Iowa Department of Public Health, Kansas Department of Health and Environment, Missouri Department of Health and Senior Services, Nebraska Department of Health and Human Services, and American Association of Radon Scientists & Technologists (AARST) seek to bring interested stakeholders together to discuss common issues and understand them from other perspectives, provide insight into the future, share, educate and network.

We still believe meetings such as this provide all of us with better ways to assist the public and reduce radon exposures. We hope to see you in West Des Moines, Iowa, on March 4, 2014.

Meeting Registration: There is no cost and registration is not required, but ***space is limited***. For planning purposes, we ask that you send an email to dye.robert@epa.gov indicating your attendance. Please put "Region 7 Radon Meeting" in the subject line. We can guarantee you a space **only** if you email confirmation of attendance. Dress is casual.

★ This meeting has been approved for NRPP, NRSB, Nebraska, Kansas & Iowa continuing education credits.

Hotel Reservations:
