Call to Order: Jane Hagedorn
Brita Van Horne would like to set up waivers similar to CEUs

The committee approved of Notes from November 14, 2011 Meeting

Question from Instructor regarding Certificates of Completion
Do they have to be given to attendee at end of class?
Is there a time frame as to when they have to be sent?
Can they be sent to attendee electronically or do they need to be paper?
The committee expressed no preference as far as presentation of Certificate of Completion as long as the attendee receives the certificate.

Question from Darin Stevenson from DMACC - Possibility of changing E-Courses to be able to use more than 2 hours per license period?
Consensus of committee was that they would like to change the two hour per licensing period for ecourses. This will be taken to the Board Meeting for input.
