New Business:
- Proposed Changes to Iowa Code 157.8(2)(c) Licensing of schools of cosmetology arts and sciences and instructors.
Proposed changes to statute would allow a school of cosmetology to operate in the same facility as a licensed barber school. Changes were in response to a possible emergency closure of two barber schools. The board was agreeable to changing the statute by eliminating the language that prohibits the schools to co-habitat in the same facility.

A motion was made by Clausen to approve revising statute 157.8(2)(c). A second was received from Nguyen. All ayes, opposed none, motion carried.

Adjournment:
A motion was made by Clausen to adjourn the meeting at 9:18 a.m. Sheriff seconded. All ayes, opposed none, motion carried.
