## **Article V - Statement of Contract Purpose:**

The purpose of the Abstinence Education Grant Program (AEGP) is to provide abstinence education, and, where appropriate mentoring, counseling and adult supervision to promote abstinence from sexual activity. The AEGP will do this by implementing promising practice curriculum focusing on abstinence education within Iowa's high-risk youth populations. The promising practices curriculum for provision of abstinence based education services focus on risk avoidance strategies and provide youth with the tools and resources necessary to abstain from or delay the initiation of sexual activity.

The Contractor will implement POWER Through Choices (PTC) curriculum in the following service area: (insert service area)

# **Article VI - Description of Work and Services:**

The overall goals of the AEGP are:

GOAL 1: Promote the state AEGP vision and goals through the systematic implementation of the evidence based curriculum.

GOAL 2: Mobilize community partnerships that promote the implementation and sustainability of curriculum.

GOAL 3: Develop a strong outreach and recruitment plan including a plan for program promotion that assures maximum buy-in and participation from community leaders and participants.

In compliance with the Department approved work plan for FY14, the Contractor shall:

- If there is staff turnover or an event that may require the need for subsequent PTC training; it is the responsibility of the Contractor to assure staff is adequately trained to implement the AEGP with priority populations as indicated among lowa youth.

  providers. As appropriate, the contractor may refer youth to other health care services (e.g.,
  substance abuse, alcohol abuse, tobacco cessation, family planning, mental health issues, and
  intimate partner violence).
- Participate in program evaluations by collecting data as outlined by IDPH. Conduct pre- and posttests on program participants.
- Develop a plan to sustain the Abstinence Education program beyond the project period. This plan will continue to be built upon throughout the project period.
- The Contractor is encouraged to participate in a Community-based Coalition that includes a focus on Adolescent Pregnancy Prevention.

Contractors and any subcontracted staff will be required to:

- Participate in **on-site visits** with IDPH staff at the contractor's agency, to include two (2) visits annually.
- Participate in **Statewide Steering Committee** meetings. The Steering Committee will convene semi-annually. Meetings will be face-to-face with mandatory attendance for contractor staff. At a minimum, the program facilitator will be required to attend, with attendance of the project director preferred.
- Participate in **monthly phone calls** with the IDPH Program Consultant to discuss agency-specific items.
- Participate in any additional trainings or meetings as issues needing immediate attention arise.
- In addition, it is the goal that of all the youth that begin participation in the program, at least 75% will complete the program.

## Article VII - Performance Measure

The following will be included in the contract performance measures for FY14.

Upon completion of each program, it is expected that:

75% of the youth who participated in each 10-12 week session:

- will report an increase in their knowledge of contraceptives and usage.
- will report an increase in their knowledge of local resources and how to access them.
- will participate in a community project.
- 50% will develop a reproductive life plan to include plans for parenting, education and/or job training, and developing other relevant life skills.

If at least 50% of the youth that begin the program do not develop a reproductive life plan to include plans for parenting, education and/or job training, and developing other relevant life skills, \$200 will be deducted from the final claim payment and contract total.
