5. Effectively utilizes population management tools to improve patient outcomes.
6. Use an EHR and registry tool for quality improvements

Potential HH Providers

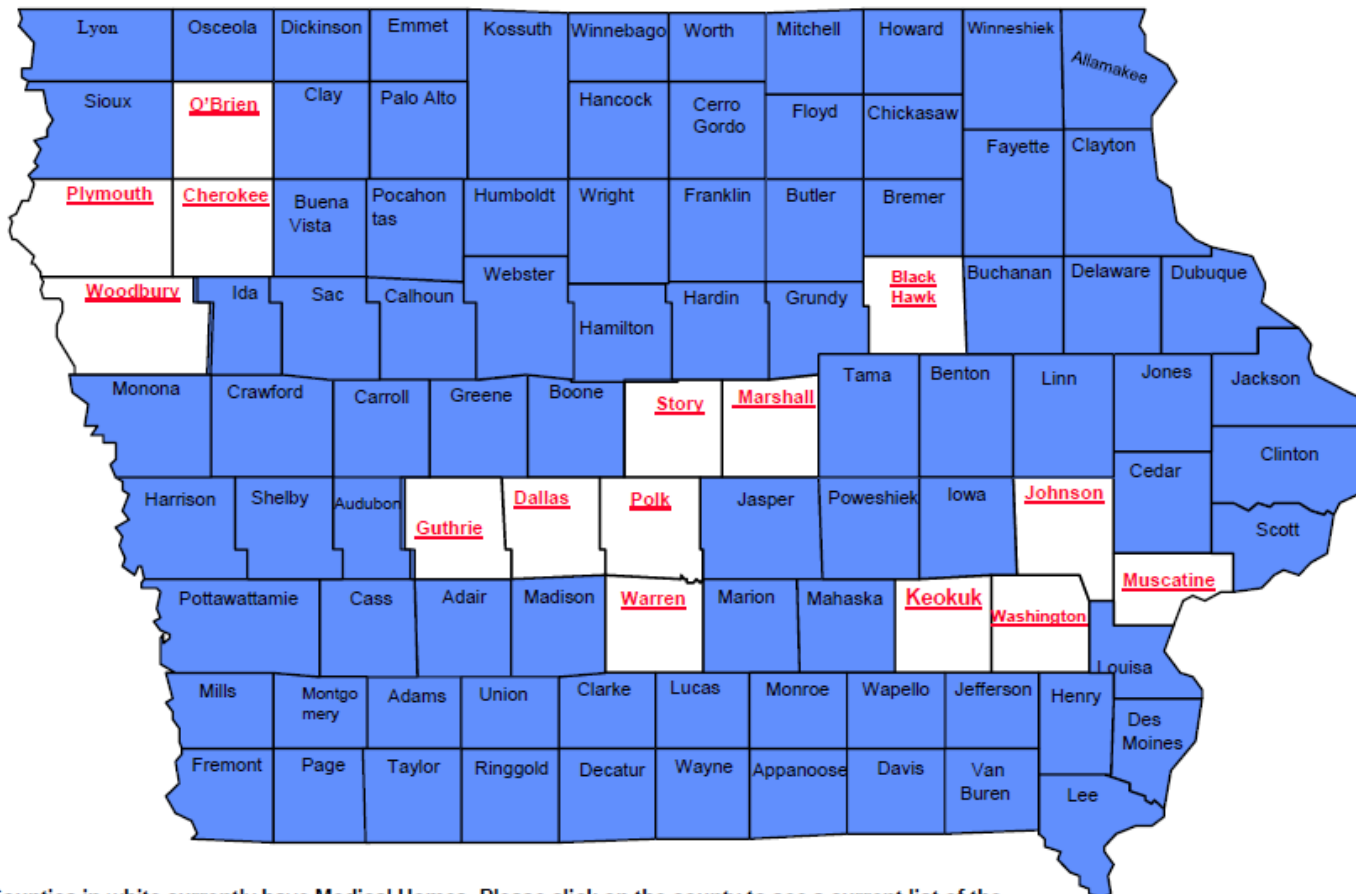

Go to: <http://www.ime.state.ia.us/Providers/healthhome.html>

The screenshot shows the Iowa Medicaid Enterprise website. The header includes 'IOWA MEDICAID ENTERPRISE', 'IOWA DEPARTMENT OF HUMAN SERVICES', and navigation links for 'IME Home', 'Providers', 'Members', and 'Search'. The 'Providers' section is active, displaying 'Health Homes for Providers' and 'How to Enroll as a Health Home Provider:' with a list of links: 'Provider Application', 'Health Home Provider Agreement', 'TransformED PCMH Self Assessment', and 'Individual Practitioners and Health Home Locations'. Below this is 'Health Home Tools for Providers:' with links for 'Health Home Provider Standards', 'Patient Tier Assessment Instruction Form', 'At-Risk Guidance for Providers', 'Health Home IMPA Access Request Form', 'IMPA (Tool to enroll members into your Health Home)', and 'PMPM Fee Schedule'. The 'What is a Health Home?' section explains that a Health Home is a Medicaid program for providers to offer additional services to members with chronic conditions, requiring PCMH recognition and connection to the Iowa Health Information Network (IHIN). The 'Who is eligible for Health Home services?' section is partially visible.

Iowa Department of Human Services

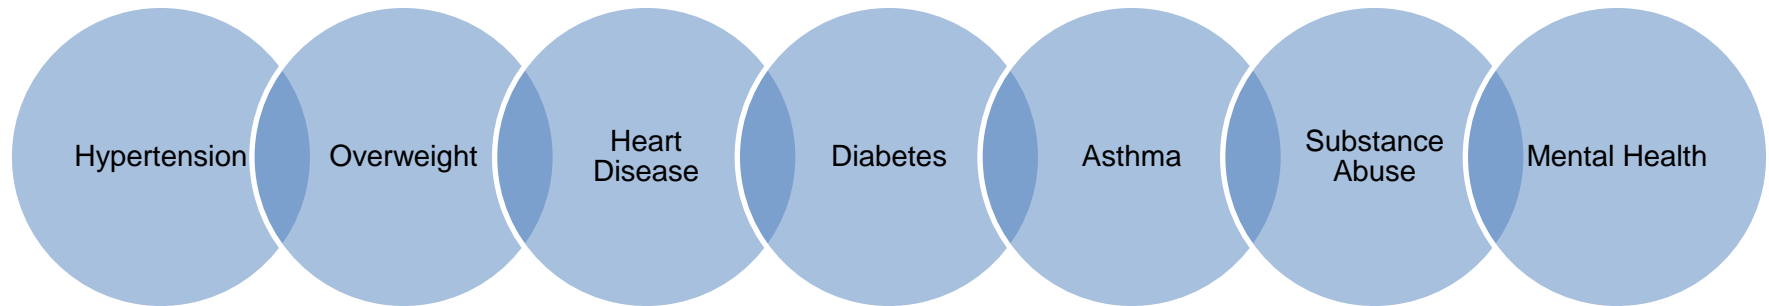

Iowa Medicaid Health Homes – August 2012

9/21/2012 Counties in white currently have Medical Homes. Please click on the county to see a current list of the health homes in your area.

Primary Care Health Home Qualifying Members?

Adults and Children with
at least two chronic conditions, or
one chronic condition and at-risk of a second condition
from the above list.

Primary Care Health Home Model

Members opt-in at the provider's office:

- Provider identifies qualified members
- Providers share benefits with Member
- Provider completes a Patient Tier Assessment
- Information is uploaded to IME

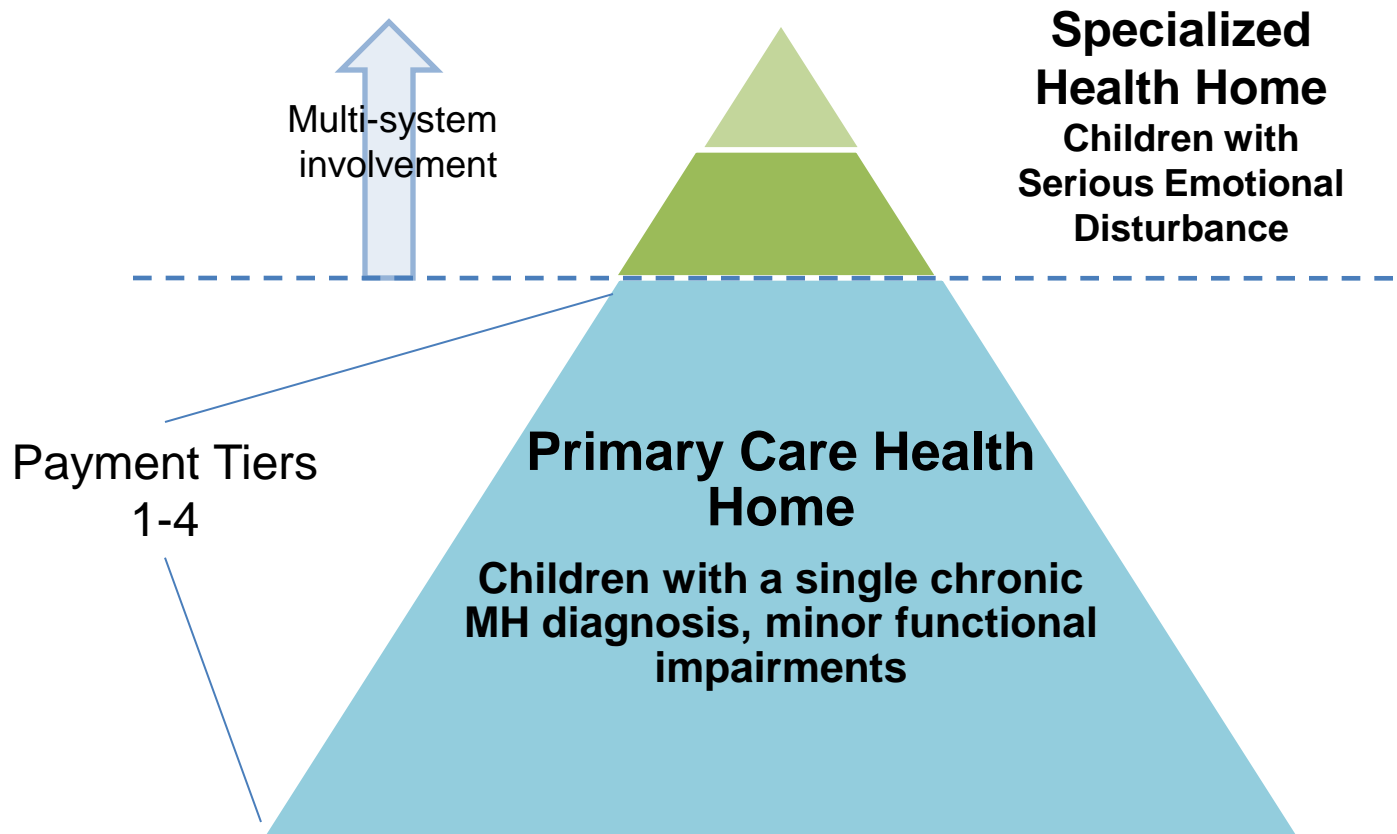

“Specialized” Health Home

- Expansion of health home model for adults and children with serious and persistent mental illness
 - Pilots operating for adults
 - Children’s concept developed by Children’s Disability Workgroup to implement “**Systems of Care model**”
 - Many details yet to be determined, but key details very likely to include:
 - Specialized provider requirements due to special population needs
 - Administered through the Iowa Plan
 - Additional payment tiers above the current 4 tiers due to high need of the population
 - Patient/Family Centered, peer support, team approach

Primary Care and Specialized Health Home Model – example for children with mental health condition
