Staff Present: Cindy Houlson, Stephanie Belieu, Susan Van Horn, Matt Oetker

Rodney Schultz called meeting to order at 2:12pm

November 14th, 2013 minutes were approved.

Discussion of the ARRC January 10th, 2014 meeting:

The chapter 23, 27, 29, 30, 32, & 35 rules were reviewed by the ARRC and will be moving forward. There is going to be a session delay on one of the rules out of chapter 29 that has to do with the felonies. They ARRC also asked why the test exam score changed back from 70 to 75%. September will do a review at the Board meeting to explain what a session delay of the rules, so we have a better understanding of a session delay means.

Update on the BOH January 8th, 2014 meeting:

Chapter 28 went to the BOH and voted to move it forward as Adopt and File on February 5th, 2014 to the ARRC meeting effective date will be on March 12th, 2014.

Review Notice of Intended Action Chapter 61 State Mechanical Code:

The code committee will present the Mechanical Code to the board. Public Hearing on March 11th, 2014.
