

BEFORE IOWA PLUMBING AND MECHANICAL SYSTEMS BOARD

IN THE MATTER OF)	NO. PM20130078
)	
Knudsen Construction,)	MOTION TO DISMISS
)	
Respondent.)	

COMES NOW the state of Iowa, by and through the undersigned counsel, and states the following:

1. A Statement of Charges was issued against Respondent on January 22, 2014. Respondent was charged with contracting for plumbing and/or mechanical work in the state of Iowa without a valid certificate of insurance.
2. Board records indicate that Respondent's Certificate of Liability Insurance expired on June 20, 2013.
3. Respondent has supplied a current Certificate of Liability Insurance showing coverage of the period of June 20, 2013 through June 20, 2014. [Attached Exhibit A]. It therefore appears that Respondent had continuous insurance coverage as required by Iowa law, and that there is no basis for the charges against Respondent.
4. A Proposed Order Dismissing Charges is attached.

WHEREFORE, the State respectfully requests that the charges against Respondent in this matter be DISMISSED.
