IN THE MATTER OF:)	CASE NUMBER: 11-012
)	
Jenifer Sorensen)	UNCONTESTED
)	MOTION TO DISMISS
Respondent.)	

COME NOW the State of Iowa, by and through the undersigned counsel, and in support of its motion to dismiss the Statement of Charges in this matter respectfully states as follows:

1. The Iowa Board of Physical and Occupational Therapy (Board) issued a Statement of Charges in this matter against Respondent on June 15, 2012.
2. The Board charged Respondent with failure to submit the required documentation of 30 hours of continuing education in response to audit letters mailed on October 18, 2011, and November 14, 2011. The audit letters were mailed to Respondent's address on file with the Board. This is Respondent's current and correct address.
3. Respondent sent documentation of 24 hours of continuing education in response to the October letter, and denies having received the November letter.
4. Respondent is a resident of Nebraska and has a current, valid, Nebraska license to practice as an Occupational Therapist. Thus, Respondent is exempt from Iowa continuing education requirements.
5. This matter does not appear to warrant formal discipline.

WHEREFORE, the State respectfully requests that the Statement of Charges be dismissed.

Respectfully submitted,

THOMAS J. MILLER
Attorney General of Iowa
