

**Plumbing and Mechanical Systems Board
Chapter 29 Notes
Wednesday October 7, 2009 at 4:00 p.m.**

Committee Members Present: Jane Hagedorn, Thomas Day, Mick Gage, Ron Masters & Chuck Thomas

Staff Attending: Cindy Houlson, Susan Van Horn, Matt Oetker and Mary Swinehart

Cindy explained that this committee will be reviewing the entire Chapter 29. She has incorporated or removed wording according to SF224.

This committee membership reviewed Chapter 29 starting with Section 29.1(105) Definitions and completing Section 29.2 (3). Cindy will insert changes and have ready for review at the next committee meeting.

During discussions regarding contractor license criteria a suggestion was made that the database Iowa Workforce Development uses for Contractor Registration Certification could be shared with the Plumbing and Mechanical Board, thereby providing one number to a contractor. Cindy will check on this and report back next meeting.

Cindy will forward survey of surety bonding and public liability insurance findings to committee. Requirements for contractor license can be set at next meeting.

The membership was asked to review the following for next week's meeting:

- Specialty licenses
- Private college (public are exempt)
- Fire place people
- Black Hills Energy – NATE or board equivalent

Next Meeting Thursday, October 15, 2009 2:00-6:00 p.m.
