Motion carried unanimously.

c) Complaint Report

A1Addiction Recovery Center, Adel, Iowa BH# 1118-080910

Lead investigator, Mr. Gronstal, gave a summary of the investigation report. Mr. Winecoff asked if there had been any further complaints against this program. Mr. Gronstal noted that this program has had no additional complaints and that agency was very cooperative. Mr. Gronstal stated that after a scheduled staffing with the Department of Human services, the program

and the client, the client was unhappy with the programs report. Immediately following that meeting the client went to the program and revoked her release of information. However during the investigation they were able to establish that the program did have appropriate releases.

A motion made by Ms. Morton seconded by Mr. Winecoff to accept the Division's report regarding complaint #BH-118-080910, with no corrective action required at this time and that the case be closed. Motion carried unanimously.

2. Lawson Treatment Services, Ruthven

Closed Session

Ms. Adams noted that the committee needed to proceed to closed session. Ms. Morton moved that the Committee move to closed session seconded by Mr. Winecoff. Motion carried unanimously.

Committee went into closed session at 9:11 am.

Committee resumed open session at 9:20 am.

A motion by Ms. Morton seconded by Mr. Winecoff that the staff be directed to initiate an investigation into the allegations of the ethics violations complaint to Lawson Treatment Services, LLC., motion carried unanimously.

3. New Language – Iowa Administrative Code

Ms. Adams noted that Mr. Kerksieck had reviewed the Administrative Rules and made the correction that "Board" was struck through and "Committee" inserted. Mr. Kerksieck also included the duties of the Committee. Mr. Kerksieck added that they had moved the "Committee" to the body in charge. The Board of Health will continue to be the body in charge when there is an appeal. Mr. Kerksieck noted that the corrections to the Administrative Rules will be brought to the Iowa Board of Health at its March meeting. However, it is unclear as to when and where or if that meeting will take place. Ms. Stone noted that even though there would be a new Director of Public Health, that she believed that these meetings would continue on their regular basis. Ms. Adams stated that staff had reviewed and approved the changes, if the committee had any comments or changes she directed them to either give them to Mr. Kerksieck today or they could be forwarded to him via electronic mail. Mr. Winecoff noted that the committee's name was unclear and too long. Mr. Winecoff suggested that the name be changed to say Substance Abuse and Problem Gambling. Ms. Adams stated that the name came from the statutes and adding a hyphen or dash would not take away from the statutory intent and make it clearer that the committee performs duties for both Substance Abuse and Problem Gambling Programs.

III. Next Meeting

Wednesday, February 9, 2011, the committee will meet at 9:00 am, via phone conference.

II. Adjournment

Mr. Winecoff moved that the meeting adjourn. Ms. Morton seconded. The meeting was adjourned at 9:28 am.
