Primary Care Heath Home Qualifying Members?

Adults and Children with at least two chronic conditions, or one chronic condition and at-risk of a second condition from the above list.

Primary Care Health Home Model

Members opt-in at the provider's office:

- Provider identifies qualified members
- Providers share benefits with Member
- Provider completes a Patient Tier Assessment
- Information is uploaded to IME

"Specialized" Health Home

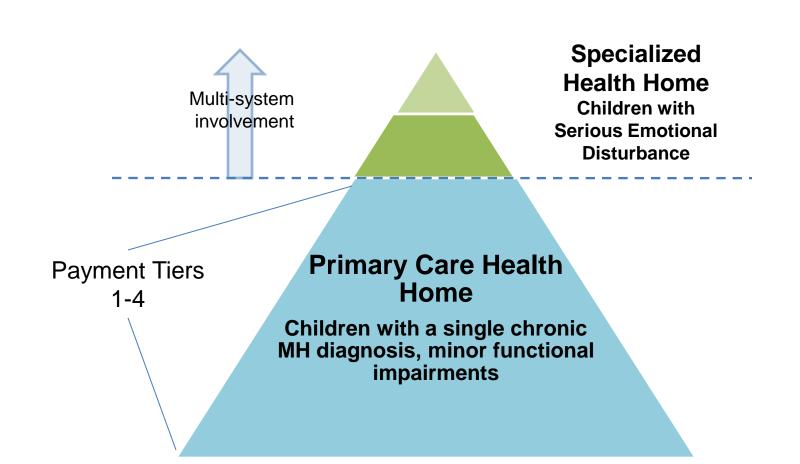

- Expansion of health home model for adults and children with serious and persistent mental illness
 - Pilots operating for adults
 - Children's concept developed by Children's Disability Workgroup to implement "<u>Systems of Care model</u>"
 - Many details yet to be determined, but key details very likely to include:
 - Specialized provider requirements due to special population needs
 - Administered through the Iowa Plan
 - Additional payment tiers above the current 4 tiers due to high need of the population

Patient/Family Centered, peer support, team approach
