The IVRS financial position continues to be stable; revenues and expenditures continue to follow recent and predictable trends. The active caseload as of May 31st was 12,520. This was 968 more than a year ago. Active caseload means when VR is actually providing services to a Job Candidate.

During June the state auditors completed the 2013 audit. There were no issues or significant problems to report.

During June IVRS participated in statewide forums in conjunction with the Iowa Department of Human Services, Employment First and the Iowa Coalition for Integrated Employment. These forums were designed to solicit feedback from people with disabilities, disability/employment service providers, parents and family members and other advocates and stakeholders about employment services for people with disabilities. Information from all forums has been collected by DHS and will be made available in the future.

As of Monday, July 15th there were no individuals on the MSD (Most Significantly Disabled) waiting list. All individuals on the Significantly Disabled waiting list whose application date fell on or before February 18, 2013 were released into services this morning, July 15, 2013.
