Plumbing and Mechanical Systems Board Administrative Rules Committee Meeting Notes Tuesday October 6, 2009

Committee Members Present: Sue Salsman, Stuart Crine, Denny Molden, Ron Masters & Ken Sharp

Staff Attending: Cindy Houlson, Matt Oetker & Mary Swinehart

Patty Broerman has resigned her position on the board. The governor will be appointing a replacement.

Notes

There was a discussion regarding the format of the notes. Going forward this is the format that will be used. The group approved the notes with changes.

Chapter 36 Petitions for Rule Making

Matt explained this chapter is directly from the Uniform Rules on Agency Procedure and the professional licensing rules. This chapter was approved by the group and will be presented to the Board at the appropriate time.

Matt also explained that the Plumbing and Mechanical Systems Board was assigned a block of numbers of 27-36 for the rules. The next block of numbers for the rules will be in the 50s.

Chapter 35 Licensure of Nonresident applicant - Reciprocity

Following a discussion this committee approved Chapter 35 and this chapter will be presented at the Board at the appropriate time.

Chapter 34 Complaints and Investigations

The Committee discussed concern about the words *malpractice and patient;* and concern of request for mental health records. Matt will check into those and make appropriate changes if needed.

Chapter 33 Contested Cases

Following a discussion a tentative approval was provided for Chapter 33.

Chapter 27 Administrative and Regulatory Authority

Following a discussion several changes will be made. With changes incorporated the chapter is approved to move forward and will be presented at the Board at the appropriate time.

CHAPTER 32 Discipline for Plumbing, HVAC, Refrigeration & Hydronic Licensees

Concern was expressed regarding two issues that will be finalized in Chapter 29, one master working for one contractor and licensee having a license on their person. When the Chapter 29 Committee's decision on these issues is made, Chapter 32 can be finalized.
