EDRS Advisory Committee

AGENDA

12/15/2011
1:00 PM
Lucas State Office Bldg

Welcome
Review Process Flow Diagram (high level) which covers approximately 80% of death record processing.
Review ‘List of Ideas’ submitted by committee.
Discuss ‘Record of Death’ and what IDPH team learned on Hospital visits.
Present the spreadsheet of the ‘Number of Deaths by Place of Death’ for 1999 through 2010.
Discuss Pros/Cons for other States demonstrations.
Discuss Internal and External applications that our EDRS application should interface with.
