

Iowa Celebrates Recovery Month with Adventure!

An exciting event is being planned for the 20th Annual National Alcohol and Drug Addiction Recovery Month!

On September 20, 2009, Adventureland Amusement Park in Altoona will be the site for this year's statewide recovery event that celebrates the benefits of substance abuse treatment, salutes the work of treatment providers, and promotes the message of recovery from substance abuse and addiction.

Recovering persons, Access to Recovery participants, and their immediate families can enjoy a fun day of rides, shows and attractions -- with a special 3:00 p.m. presentation from notable guests. Recovery Month participants will also receive free pop, popcorn and a t-shirt, while supplies last.

Access to Recovery Participants:

ATR clients with available funding may ***purchase admission tickets*** for themselves and immediate family members (spouse/partner and children, or parents if client is age 18 or younger) through Care Coordination providers ***at the discounted price of \$12.75***. Care Coordination providers must submit the attached Ticket Request Form to Training Resources to purchase tickets in advance, distribute purchased tickets to ATR clients, and then enter a Sober Living Activities encounter in the Voucher Management System for each ATR client.

Recovering Persons:

A ***limited number of free admission tickets*** are available to recovering persons and their immediate family members (spouse/partner and children, or parents if client is age 18 or younger). Interested provider agencies may submit the attached Ticket Request Form to Training Resources with an estimate of the number of tickets needed. After all of the requests are in, the free tickets will be divided amongst the interested agencies.
