

# DISEASE EPIDEMIOLOGY AND PREVENTION XI

## PURPOSE

This workshop will educate long term care staff about the diseases affecting long term care residents and staff. The intended audience is long term care nurses and staff. Cost for Session 2 is \$15 and will provide morning refreshments, materials, and certificate.

## OBJECTIVES

**The participants will be able to:**

1. Describe the role of long term care facilities in the Iowa Influenza Surveillance Network.
2. Outline the process of investigating and controlling an enteric outbreak.
3. Describe the prevalence of MRSA and protocols for managing MRSA in long term care facilities.
4. List the vaccines available for residents and health care workers.

## TARGET AUDIENCE

Long term care facility nurses and staff and infection control practitioners.

## CONTINUING EDUCATION

With 100% attendance Nurses will be awarded 0.33 CEUs/  
3.3 Contact Hours through each community college provider.
