

Kathy Brogden has been the Program Coordinator for the Statewide Perinatal Care Team since May 2004. She held a similar position for seven years at the ISU Pappajohn Center for Entrepreneurship in Ames, Iowa. Kathy works with the Program Director to coordinate team travel, develop yearly contract budgets with the Iowa Department of Public Health, oversees day-to-day office functions, and acts as the Team's communication liaison. Kathy also coordinates the Annual Iowa Conference on Perinatal Medicine held in Des Moines each spring.
