

What is a dental home?

“Dental home” is a network of individualized care based on risk assessment, which includes oral health education, dental screenings, preventive services, diagnostic services, treatment services, and emergency services.

I-Smile™ uses the concept of a dental home to ensure that Iowa’s children have access to treatment and early prevention.

For more information on the I-Smile™ Dental Home Initiative, please contact the Oral Health Bureau at 1-866-528-4020.
