Accreditation: Rules of the Game

1. Any requests being made of partners must be in writing, sent to the highest level of the organization, and a copy of the documents provided to Paul for records.

2. Each Criteria Lead will be responsible to present a certain number of her or his criteria on certain days. If this is not going to be possible, it is the Lead’s responsibility to switch presenting times with another Criteria Lead.

3. Criteria presentations will be timed with a maximum of 10 minutes allowed each. Each Lead will be given a maximum of 5 minutes to present each criterion followed with a 5 minute discussion to score what has been presented.

4. Constructive criticism is key. Because of meeting time constraints, criticism must be direct and individuals need not feel offended.

5. When completing the Strengthening Action Plan, the completion date used should be reasonable but not to exceed 1/1/2012.
