The Healthy Families Line is a health and information referral line serviced 24 hours a day, 7 days a week.

The Healthy Families Line can help you find information and resources on topics such as:

- birth control and pregnancy
- breast and cervical cancer
- child care
- domestic abuse
- maternal and prenatal care
- postpartum depression
- sexually transmitted infections
- other health related topics

Healthy Families Line can also provide referrals to help you find information on services available in Iowa, including health care and insurance.
Healthy Families Line is not a crisis or “hot” line. The line is a service of the Iowa Department of Public Health and answered 24 hours daily through a contract with Iowa State University Extension.
